

U.S. XPRESS INSTITUTE OF SUPPLY CHAIN AND LOGISTICS MANAGEMENT

Ooltewah High School

The U.S. Xpress Institute of Supply Chain and Logistics Management at Ooltewah High School is a four-year program that equips students with the technical and employability skills required for successful entry into the supply chain and logistics industry. Students will:

- Engage in project-based learning opportunities, industry tours, and guest speaker series that integrate standards-based education and real-world applications.
- Have access to industry and postsecondary experts as they explore core business concepts around occupational safety, distribution and logistics, warehousing, government regulations, and sustainability.
- Have the opportunity to graduate high school with a technical certificate from Chattanooga State and five dual enrollment courses.
