Grading

The Hamilton County Department of Education follows the Tennessee State Board of Education's *Uniform Grading System* which consists of the following:

Uniform Grading System – Weighted for Advanced Coursework				
Grade	% Range	Honors Courses & National Industry Certification	Statewide Dual Credit Courses & Dual Enrollment Courses	Advanced Placement and International Baccalaureate
A	90-100	May include the addition of 3 percentage points to the grades used to calculate the semester average	May include the addition of 4 percentage points to the grades used to calculate the semester average	May include the addition of 5 percentage points to the grades used to calculate the semester average
B	80-89			
C	70-79			
D	60-69			
F	0-59			

* No grade above a 100 will be recorded with the exception of extra points added for Honors, IB, AP, DE and DP classes.

** Incomplete must be removed during the next grading period.

Grade Point Average

Hamilton County high schools may utilize two methods in calculating Grade Point Averages (GPA) for students.

The first method is a 4.0 scale. The 4.0 scale is defined in the Tennessee Uniform Grading System. This grading scale is used to calculate and determine a student's eligibility for the Tennessee Hope Lottery Scholarship. This state-recognized GPA will appear on the high school transcript for all Hamilton County graduates (TCA 49-6-407).

A second method for determining cumulative GPA may be calculated using weighted quality points. AP and IB courses will receive an additional weight of 1.0. Honors and Dual Enrollment will receive an additional 0.5. The weighted GPA may be requested by certain colleges and universities for admission requirements and scholarships. Assigning additional quality points above 4.0 for these courses is not allowed for the purpose of determining eligibility for the Tennessee lottery scholarships (SBE Rule 0520-01-03-.05).

EXCEPTIONAL EDUCATION

The Exceptional Education Program at Ooltewah High is designed to ensure that all students with disabilities receive an appropriate education in the least restrictive environment under the guidelines of Public Law 94-142. The inclusion teacher provides co-teaching and/or consultation for all eligible exceptional students within the school. Each student's educational program is determined annually by an assessment team (IEP-Team) composed of the student and his/her parents, the inclusion teacher, and at least one of the student's regular classroom teachers, as well as any other professionals or advocates whose input is vital to the success of the student. An IEP is developed for all eligible students.

ATTENDANCE

According to the law (Tennessee Code Annotated 49-6-3001(c)) every parent, guardian, or other person residing in this State having control or charge of any child between the ages of six (6) and seventeen (17), both inclusive, shall cause such child or children to attend a public or non-public school, and in event of failure to do so, shall be subject to the penalties hereinafter provided.

For attendance purposes, a high school student is required to be in attendance for a total of three (3) hours and fifteen (15) minutes in order to be counted as present in school according to Tennessee State law.

Any child who is habitually and unlawfully absent from school must be reported to the appropriate judge having juvenile jurisdiction in that county, the child to be dealt with in such a manner as the judge may determine to be in the best interest of the child. The judge may assess a fine of up to fifty dollars (50.00) or five (5) hours of community service against the parents or legal guardians of Kindergarten through grade twelve (K-12) children if the child is absent more than five (5) days during any school year. (Tennessee Code Annotated 49-6-3007(f)).

Hamilton County Department of Education Board Policy (6.200)

The following are legal reasons for excusing a student from attending school:

- Personal Illness- Students are excused who are sick and whose attendance would be detrimental to their health and the health of other students. A physician's statement may be required.
-

- Death in Immediate Family- Students may be excused for three days in the event of a death in their immediate families including mother, father, step-parent, brother, sister, or grandparent. Extenuating circumstances may require a longer period of excused absence.
- Family Illness- Students having an illness in the family which requires them to give temporary help will be excused from attendance after receipt of a physician's statement concerning the necessity of the student's assistance.
- Religious Holiday- Students shall be excused on special or recognized religious holidays regularly observed by that particular faith. Prior approval is required should these days occur while school is in session.
- Personal- Students who are absent for a good cause (doctor or dental appointment which cannot be scheduled at times other than school hours, court appearances, etc.) may be excused upon proof of appointment. Prior approval by parent or guardian, and the principal or his designee is required.
- Approved School-Sponsored Activities- Students shall be marked present when participating in a school-sponsored activity away from the school building

HCDE ATTENDANCE PROCEDURES ARE AS FOLLOWS:

By law students must attend school daily. It is the parent's responsibility to report all absences to the school. HCDE will allow parent/guardian excuses to serve as documentation for three (3) personal illness days only. After three (3) parent/guardian excused personal illness days, parents must provide medical services documentation for the following: personal illness, family illness, or personal (as defined above). To avoid student absences being recorded as unexcused, a written statement signed and dated by the parent/guardian and any medical documentation should be presented to the appropriate school official within five (5) days of the student returning to school. HCDE will not begin legal actions until after a student is absent for more than five (5) days without adequate legal excuse (as defined above.)

If the following conditions apply, a referral will be made to the school social worker:

After ten (10) or more unexcused absences:

Parents/guardians will be notified via legal notice indicating that their child has become truant and a petition may be filed with Hamilton County Juvenile Court. If unexcused absences continue after the Informal Truancy Hearing at Juvenile Court, parents/guardians will be petitioned to attend a Formal Hearing before a Juvenile Court Judge at which time fines and community service may be assessed.

Make-up Work:

Make-up work resulting from any absence is the responsibility of the student and shall be arranged with the teacher of record. It is strongly recommended to contact the teacher about your absence and making up missed assignments.

All students will be given five days to make up the work he/she missed during their absence. Extenuating circumstances may warrant additional time.

If a student is suspended, we are required to provide assignments or substitution of assignments. Students who need to make up a test or lab will need to schedule this make-up with the teacher. Please give the student at least 24 hours' notice when requiring a student to stay after school.
